CRITICITA' RILEVATE DAGLI ALUNNI

- ▶ Difficoltà di dover svolgere la prova con lo smartphone.
- ▶ Difficoltà nel dover rispondere a domande afferenti a più discipline
- ▶ Impossibilità di visualizzare correttamente le domande e le risposte contenenti formule ed immagini (largamente impiegate nelle discipline tecniche) a causa della scarsa qualità della connessione a loro disposizione.

CRITICITA' RILEVATE DAI DOCENTI

- ▶ **Tutti i dipartimenti** rilevano una mancanza di un controllo effettivo sull'operato dei ragazzi
- ▶ Rispetto alle prove precedenti non si sono rilevate difficoltà durante la fase di somministrazione.

Proposte

Alcuni docenti propongono di procedere ad una rilevazione dei risultati delle prove non solo per singola materia ma anche per prova complessiva, nel rispetto del carattere di interdisciplinarietà tra le stesse.
